THE KPM "1000" SERIES

This series of 12", 33⅓ rpm long playing records is additional to our regular library of 10", 78 rpm records. LP recordings are issued in this series in cases when due to the special interest of the music or to the generic similarities of the material recorded, it is preferable to group all the items on one record rather than to disperse them over a number of 78 rpm discs.

KPM 1043

BEAT INCIDENTAL

Underscore moods and links—contemporary beat music idiom.

Side	Title	Duration	Remarks
KPM 1043 A	1. *THE ACTION SCENE	0.37 mins.	Uptempo pounding movement.
	2. *THE ARISE SCENE	1.01 mins.	Uptempo light movement.
	3. *THE PASSING SCENE	0.20 mins.	Neutral bridge.
	4. *THE PASSING SCENE	0.11 mins.	As above with rhythm.
	5. *THE PENSIVE SCENE	0.37 mins.	Lightweight—melodic.
	6. *THE BUSY SCENE	1.04 mins.	Medium tempo activity.
	7. THE TENSE SCENE	0.26 mins.	Neutral with dramatic undertones.
	8. THE SUSPENSE SCENE	1.48 mins.	Mysterious—gradual build to climax.
	9. *THE EXPECTANT SCENE	0.16 mins.	Suspense—harpsichord.
	10. *THE WAITING SCENE	0.57 mins.	Repetitive harpsichord figure.
	11. *SCENE LINK 1	0.03 mins.	Neutral marimba statement.
	12. *SCENE LINK 2	0.08 mins.	Suspenseful link—organ.
	13. *SCENE LINK 3	0.06 mins.	High organ statement.
	14. SCENE LINK 4	0.03 mins.	Organ exclamation.
	15. SCENE LINK 5	0.03 mins.	Three harpsichord stabs.
	16. SCENE LINK 6	0.03 mins.	Harpsichord exclamation.
	17. SCENE LINK 7	0.04 mins.	Short organ build up.
	18. SCENE LINK 8	0.04 mins.	Crash chord—organ.
	19. SCENE LINK 9	0.04 mins.	Two chord piano exclamations.
	Alan Hawkshaw/Keith Mansfield		
	*Thematic to KPM 1037A.1. "Piccadilly Night Ride."		
KPM 1043 B	1. *FUNKY FANFARE (small group)	1.29 mins.	Same melody as KPM 1039B-B—organ and rhythm section only.
	2. *FUNKY CHASE	1.04 mins.	Uptempo underscore—thematic to "Funky Fanfare".
	3. *FUNKY FLIGHT	1.32 mins.	Uptempo percussion featuring bongos to full rhythm —thematic statements of "Funky Fanfare" throughout.
	4. *FUNKY LINK 1	0.07 mins.	Short end.
	5. *FUNKY LINK 2	0.07 mins.	Stronger version.
	6. TEENAGE VILLAIN	2.40 mins.	Heavy repetitive plod—mysterious/comic undertones.
	7. TEENAGE CHASE	3.20 mins.	Repetitive solo bass guitar phrase mixed by bongos then full rhythm—uptempo movement.
	8. TEENAGE SUSPENSE	2.33 mins.	Bizarre mysterious—grows to shock chord.
	9. TEENAGE NARRATIVE	1.11 mins.	Roots, today—romantic undertones.
	10. TEENAGE DEADLYER	2.43 mins.	Melodious underwater underscore.
	11. †TEENAGE LINK 1	0.07 mins.	Short end, thematic to "Teenage Carnival" KPM 1039B-2.
	12. †TEENAGE LINK 2	0.07 mins.	Short opening thematic to "Teenage Carnival".
	13. †TEENAGE LINK 3	0.07 mins.	Short crescendo thematic to "Teenage Carnival".
	Keith Mansfield		
	*Thematic to KPM 1039B-B. "Funky Fanfare."		
	†Thematic to KPM 1039B-2. "Teenage Carnival"

ELECTROSOUND

I present some tunes, untunes, anti-tunes, delightful and undelightful sounds for all sorts of purposes and state that:

The pieces herein displayed may be combined with themselves (as much out of sync as possible) to achieve thicker diffuse atmosphere, and playing things at different speeds would not be wrong!
RON GEESIN.

KPM 1102A

Title	Duration	Remarks
1. GLASS DANCE	1:53	Fast flowing complex rhythmic tinkling sound.
2. U.F.O.	2:03	Fuzz background with descending electronic scales.
3. SONG OF THE WIRE	1:46	Echoing organ sound over a neutral modulating bass.
4. INDUSTRIAL JUNGLE	2:05	Industrial sound, suggesting heavy machining, with deep tonal interjections
5. BOTTLING PLANT	2:03	Repetitive background sound suggesting busy activity.
6. SLOW SONG	2:03	Slow droning organ-like chords with metallic background.
7. SYNCOPOT	2:31	Rhythmic rubbing sound with electronic overlay in syncopated time.
8. ENZYMES IN YOUR EAR	2:09	Harsh dischordant notes in a random form over a repetitive riff.
9. TROGLODYTE	1:39	Slow muffled chords played over a neutral background with distorted interjections.
10. SLOW SPRINKLE	2:09	Random staccato notes suggesting droplets falling on water.

Composed by: RON GEESIN

KPM 1102B

1. ORGAN IN THE CLOUDS	2:32	Rhythmic, tuneful organ sound with repetitive bass line.
2. DUCK FIGURES	2:25	High pitched squawks over a neutral modulating background.
3. ELECTRIC BARBED WIRE	2:08	Metallic rhythmic drumming over a high-pitched modulating background.
4. COMMUTER	1:19	Rhythmic piano sound on a deep metallic syncopated background.
5. CAR CRUSHER	2:13	Grating dischordant metallic rasps with random high-pitched electronic background.
6. SKY HIGH	2:03	A series of gradually increasing harsh oscillations.
7. DUET FOR CHOIR AND TUNNEL	2:07	Echoing empty sound in a repetitive sequence.
8. SPIROGRAPH A.	1:52	Slow wistful clarion in random time with fuzz chord interjections.
9. SPIROGRAPH B.	2:33	As above at different pitch.

Composed by: RON GEESIN

LOST CONTINENTS

Joël Vandroogenbroeck – Lost Continents

How would the music of ancient Mesopotamia and Egypt have sounded, long before the birth of Christ? To unlock the secret I spent many months in these countries searching through museums, libraries and ancient places for clues, where I found on pictures, tombs and pottery representations of many varied musical instruments.
Back home I made copies of these instruments as exactly as possible according to the ancient documents and pictures. On this sleeve is shown the comparison between the ancient drawings and my newly constructed instruments.
While composing music for these instruments from my own personal feelings generated by the country, people and culture, I have also tried to include the musical language which may have been enjoyed by the Pharaohs and their slaves.

Joël Vandroogenbroeck

Die Musik im alten Mesopotamien und im alten Ägypten, lang vor Christi Geburt, wie mag sie wohl geklungen haben? Um diesem Geheimnis auf die Spur zu kommen, suchte ich monatelang an Ort und Stelle in Museen, in Bibliotheken und an antiken Plätzen nach Zeugen der musikalischen Vergangenheit. Dabei entdeckte ich auf Bildern, Grabinschriften, Gefäßen, etc. eine Vielfalt verschiedenster Abbildungen von Musikinstrumenten.
Nach Hause zurückgekehrt, baute ich genau nach den überlieferten Dokumenten und antiken Vorbildern diese Instrumente nach. Auf dieser Hülle sehen Sie eine Gegenüberstellung der historischen Darstellung und meiner Nachbildung der verschiedenen Instrumente.
Für diese Instrumente komponierte ich eine Musik, in der ich meine persönlichen Eindrücke von der Landschaft, von den Menschen und von der Kultur genauso verarbeitet habe, wie ich um eine musikalische Sprache bemüht war, die in jener fernen Zeit Pharaonen und Sklaven erfreut haben mag.

Joël Vandroogenbroeck

Comment pouvait sonner la musique de l'antique Mesopotamie et Egypt longtemps avant la naissance du Christ? Pour résoudre cette énigme, j'ai passé plusieurs mois dans ces pays visitant musées, librairies et anciens sites, à la recherche de témoignages. J'ai trouvé des représentations de divers instruments de musique sur des reliefs, tombes et poteries.
De retour chez moi, j'ai construit des copies de ces instruments aussi exactes que possible, selon les anciens documents et reliefs. Sur la pochette l'on peut voir la comparaison entre les anciens dessins et mes nouvelles constructions d'instruments.
La musique composée pour ces instruments vient des mes sentiments personnels générés par la région, les gens et leur culture. J'ai aussi essayé d'y inclure le language musical qui aurait pu plaire aux pharaons et leurs esclaves.

Joël Vandroogenbroeck

Quale sarà stato il suono della musica nell'antica Mesopotamia e nell'antico Egitto, cioè molto tempo prima che nascesse Gesù Cristo? Per risalire alle origini di questo mistero ho cercato per mesi interi nei musei, nelle biblioteche e nelle antiche località, le testimonianze del passato musicale. Nel corso delle mie ricerche ho scoperto nei quadri, sulle scritte tombali, sui recipienti ecc., una serie di riproduzioni degli strumenti musicali più disparati.
Al mio ritorno casa ho ricostruito questi strumenti, esattamente secondo i documenti e le riproduzioni pervenutemi. Sulla prima facciata di questa copertina potete vedere un confronto fra la presentazione, strettamente fedele, dei diversi strumenti e la mia ricostruzione degli stessi.
Per questi strumenti ho composto una musica nella quale ho elaborato le mie impressioni personali del paesaggio, degli uomini e delle culture, con la stessa passione con cui mi sono occupato di un linguaggio musicale che dovrebbe aver rallegrato faraoni e schiavi in quei tempi lontani.

PIERO
UMILIANI
LEGACY
ROVI • PIANOFENDER BLUES
"Music with a modern but discreet sound". This is how Umiliani himself described the content of Pianofender Blues, entirely recorded with the aid of two electric pianos (Fender, of course, and Wurlitzer), bass, piano, drums and percussion, yet another curious foray of the Florentine artist, here exploring territories different than his usual jazz, soundtracks and avant-garde experimentations.
Pianofender Blues is quite honest right from its title, and the melancholy of the sound produced by the world-famous American keyboard goes well with a much lighter repertoire that we could call, by using a vaguely old fashioned location, "easy listening", an album that can be easily placed within Umiliani's "less challenging" production, together with other titles such as Atmosphères, Fischiando or Beat or Motivi Adagio e Ostinato, that testify their author's versatility.
Originally released in 1973 under the name Rovi, Pianofender Blues combines excellent instrumental technique with a sound inevitably born of those years, and enriches Umiliani's long series of commissions - the so-called "music libraries" - that have made him famous as much as his efforts within the jazz and soundtrack fields.
Stefano Gilardino
